EDUCATION

Student at Addis Ababa university

3rd year student of software engineering

2022-

SUMMARY

I'm a web developer with expertise in both front-end and back-end development. I'm highly proficient in HTML, CSS, and JavaScript, and I specialize in frameworks like React and Angular. I have a strong track record of building responsive, user-friendly websites and web applications. I'm friendly, approachable, and always eager to learn and grow.

WORK EXPERIENCE

front end development

- I have been working on different projects for one year

SKILLS

- front end
- backend
- Design
